EXECUTIVE SUMMARY:

(ALSO SEE FULL STAFF REPORT; REPORT NO. IS REFERENCED ABOVE)

The 2009A Water Bonds will refund the \$57 million principal of the Water Revenue Notes, Series 2007A, which are due on January 30, 2009, and refund certain maturities of the 1998 Water Revenue Certificates if that results in a net present value savings of at least 3%, consistent with the City's Debt Policy. The legal documents authorize the issuance of the 2009A bonds in an amount not to exceed \$309 million. Of this amount, \$245 million authorizes to refund the outstanding 1998 Certificates. The City will only refund portions of the 1998 Certificates which are cost effective under the market conditions present at the time of the pricing of the bonds.

The 2009B Water Bonds would refund the \$150 million principal of the Water Revenue Notes, Series 2008A, and fund the requirements of the CIP Program through approximately June 2010 in an amount of \$150 million. Issuing the 2009 Bonds in two series (2009A and 2009B) enables the City to borrow funds no earlier than the time the proceeds are needed. The financing documents submitted for the City Council approval include: the Indenture, First Supplement Indenture, Amended and Restated Master Installment Purchase Agreement (MIPA), 2009A and 2009B Supplement to the MIPA, 2009A and 2009B Continuing Disclosure Certificates, 2009A Bond Purchase Agreement, 2009A Preliminary Official Statement (POS), and the 2009 Bonds City Ordinance and 2009A Resolution approving the Preliminary Official Statement and the Bond Purchase Agreement. The details of each document are described more fully in the Staff Report.

Only the 2009A Bonds can be sold through the proposed Council actions. Staff will return to the City Council requesting approval of the 2009B Preliminary Official Statement and the Bond Purchase Agreement prior to the issuance of the 2009B Bonds.

An extensive preparation and review process was undertaken in developing the 2009A Preliminary Offering Statement (POS), the marketing document for the 2009A Bonds. In accordance with the Controls and Procedures established by the Disclosure Practices Working Group (DPWG), a Financing Group consisting of the Disclosure Counsel, City Disclosure Counsel, Financial Advisor, City Attorney's Office, Debt Management, and Water Department staff, identified all the informational requirements for the long term public bond offering of the Water enterprise and methodically developed the document over a 6-8 month period. An engineering and financial feasibility study on the bond offering was conducted and the findings were disclosed in the POS. The 2009A Financing Team consisting of the Financing Group described above, the bond counsel, and the underwriting syndicate reviewed the form and the content of the POS at various Financing Team document review sessions. Finally, the Disclosure Practices Working Group (DPWG) reviewed the document in August and on October 1, and 2, 2008, and authorized the docketing of the POS for the City Council approval. Consistent with the DPWG Controls and Procedures, necessary certifications from various officials involved in the preparation or review of the disclosures including the Mayor, the City Attorney, and the Chief Financial Officer, will be distributed to the City Council prior to the Council hearing.

FISCAL CONSIDERATIONS:

Based on interest rates as of October 2, 2008, the portion of the 2009A Bonds used to repay the 2007A Notes is an estimated \$62.7 million. The annual estimated debt service is \$4.4 million with an estimated total debt service of \$132.6 million over a 30 year term. For comparison purposes, at the City Council authorized not-to-exceed interest rate of 7.00%, the annual debt service on the bonds is estimated to be \$5.1 million with the total annual debt service at \$152 million over a 30 year term.

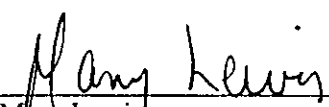

Assuming the entire outstanding principal on the 1998 Certificates is refunded with the 2009A or 2009B Bonds generating at least 3% in net present value savings, the new annual debt service will be an estimated \$12.1 million, FY 2010-FY 2015, and \$25.3 million, FY 2016-FY 2029, which is approximately \$800,000 lower than the current annual debt service on the 1998 Certificates. The repayment term on the refunded portion will remain unchanged at 21 years.

PREVIOUS COUNCIL and/or COMMITTEE ACTION: None

COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS: The Water Department conducted Proposition 218 noticing process as part of the approval for the rate increases necessary to support bond issuances projections from FY 2009 to FY 2011. Pursuant to Proposition 218, the City provided property owners 45 days of advance notice of the Council's formal consideration of the rate increases. Notices were mailed to property owners of record and City of San Diego water bill customers, advising them that the City Council would hold hearings on February 26, 2007 to consider adoption of the proposed water rate increases. The hearings were held as scheduled and the rate increases were subsequently approved by the Council.

Section 5. Section 8. In connection with the public offering of the 2009 Bonds and/or the 2009 Subordinated Bonds, the Chief Operating Officer and the Chief Financial Officer of the City, and their specified designees, and each of them, acting alone, are hereby authorized and directed, for and in the name and on behalf of the City, to execute and deliver the 2009A Continuing Disclosure Certificate, a copy of which is on file in the office of the City Clerk as Document No. O-_____ and the 2009B Continuing Disclosure Certificate, a copy of which is on file in the office of the City Clerk as Document No. O-_____, each as submitted to this meeting, with such additions and changes therein as the Chief Operating Officer and the Chief Financial Officer, or their specified designees, shall approve as being in the best interests of the City, and as approved as to form by the City Attorney, or his specified designee, and with such other changes as are required by Disclosure Counsel to the City (as defined in Section 10 below), such approval to be conclusively evidenced by the execution and delivery thereof.

DATE OF FINAL PASSAGE _____

A RESOLUTION OF THE COUNCIL OF THE CITY OF SAN DIEGO APPROVING THE FORM OF A PRELIMINARY OFFICIAL STATEMENT RELATING TO AN ISSUE OF WATER REVENUE BONDS, REFUNDING SERIES 2009A (PAYABLE SOLELY FROM INSTALLMENT PAYMENTS SECURED BY NET SYSTEM REVENUES OF THE WATER UTILITY FUND OF THE CITY OF SAN DIEGO) AND A 2009A BOND PURCHASE AGREEMENT AND APPROVING CERTAIN OTHER ACTIONS IN CONNECTION THEREWITH.

WHEREAS, the City of San Diego, California [City], with the cooperation of the Public Facilities Financing Authority of the City of San Diego [Authority], a California joint exercise of powers entity duly organized under the laws of the State of California [State] has proposed the issuance of the Authority's Water Revenue Bonds, Refunding Series 2009A (Payable Solely from Installment Payments Secured by Net System Revenues of the Water Utility Fund of the City of San Diego) [2009A Bonds] in order to finance and refinance certain capital facilities improvements for the Water Department of the City; and

WHEREAS, in connection with the marketing and sale of the 2009A Bonds, to be authorized under a separate Ordinance submitted to and considered by this City Council [Bond Ordinance], it is necessary for the City to cause a disclosure document [2009A Preliminary Official Statement] to be prepared, approved and to disseminated in accordance with the policies of this City Council and applicable securities laws and regulations; and

WHEREAS, the City and the Authority propose to enter into a Bond Purchase Agreement [2009A Bond Purchase Agreement] with Morgan Stanley & Co. Incorporated, as Representative [2009A Representative] of certain designated underwriters [2009A Underwriters] of the 2009A Bonds; and

WHEREAS, there have been submitted to this meeting of the City Council a form of the 2009A Preliminary Official Statement and the 2009A Bond Purchase Agreement, each of which has heretofore been reviewed by the Disclosure Practices Working Group [DPWG]; and

WHEREAS, the City is authorized to undertake the actions described in this Resolution pursuant to its Charter and the Constitution and applicable laws of the State; NOW, THEREFORE,

BE IT RESOLVED by the City Council of the City of San Diego, as follows:

Section 1. The City Council hereby finds and determines that the statements set forth above in the recitals of this Resolution are true and correct.

Section 2. The form, terms and provisions of the 2009A Preliminary Official Statement, a copy of which is on file in the office of the City Clerk and submitted to this meeting, are hereby approved. The Chief Financial Officer of the City and the City Attorney of the City, and each of them together, [Authorized Officers], are hereby authorized and directed, for and in the name and on behalf of the City, to deliver the 2009A Preliminary Official Statement to the Underwriters of the 2009A Bonds in substantially the form submitted to this meeting, with such additions and changes therein as the Authorized Officers shall approve as being in the best interests of the City, and as approved as to form by the City Attorney or his specified designee and with such other changes as may be required by the law firm of Hawkins Delafield & Wood, as Disclosure Counsel. Upon approval of the 2009A Preliminary Official Statement for use in marketing the 2009A Bonds by the Authorized Officers, the 2009A Preliminary Official Statement shall be "deemed final" as of its date, except for the omission of certain information as permitted in and pursuant to Rule 15c2-12, promulgated by the Securities

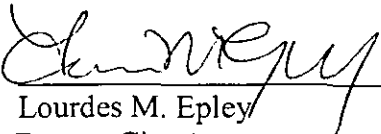

and Exchange Commission pursuant to the provisions of the Securities Act of 1934, as amended [Rule].

Section 3. The form, terms and provisions of the 2009A Bond Purchase Agreement are hereby approved. The Chief Operating Officer and the Chief Financial Officer of the City and their specified designees, and each of them, are hereby authorized and directed, for and in the name and on behalf of the City to execute and deliver the 2009A Bond Purchase Agreement in substantially the form submitted to this meeting, with such additions and changes therein as the Chief Operating Officer or the Chief Financial Officer shall approve as being in the best interests of the City, and as approved as to form by the City Attorney or his specified designee, and with such other changes as may be required by Bond Counsel, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the aggregate principal amount of the 2009A Bonds does not exceed the parameters set forth in the Bond Ordinance. The refunding of any 1998 Certificates shall be effected through the issuance and sale of the 2009A Bonds, so long as such refunding, being a current refunding, shows net present value debt service savings of no less than 3.0% of refunding principal with respect to the 1998 Certificates.

Section 4. Following the pricing and sale of the Bonds, the Authorized Officers are directed to cause a form of final Official Statement [Official Statement] to be prepared, in accordance with the policies of the City Council, the requirements of the Rule, and with the assistance of DPWG.
